

## **Admin Officer's Report**

**December 2020**

There has been no correspondence for the AGM.

The Quids In Club subscriptions have dwindled to a very small number now, making it hardly worth continuing.

I am looking for someone to take it on and see if they can re-invigorate it – as I will wind it down if no-one comes forward. At one time, Quids In contributed over £1000 a year for the society and gave out the same amount in prize money. It's a job that can be done from home and needs the ability to use online banking and social media. You would be welcome to propose a rebrand or other ways to update the project.

Please do get in touch if you would like to know more about taking this on.
